Subject: Auto Show Tickets

Dear Executive Director Berlin,

Thank you for alerting my office to the Board of Ethics determination that the [2020 Chicago](#) Auto Show passes sent by the show sponsor, without my knowledge, does not meet the City's gift guidelines.

In accordance with your advice, I have accepted the passes as a gift on behalf of the City and have made them available to my constituents. Please accept this email as notification of my action to accept the two (2) daily [2020 Chicago](#) Auto Show passes as a gift on behalf of the City of Chicago.

As always, thank you so much for your diligent work and forthright council. If there is anything else related to this matter that needs to be discussed, please contact me anytime.
